

City Amour - Scarf, 5th level cut resistance

City Armour – a cut resistant scarf with a carbon air filter is a stylish addition to your outfit, which will be perfect for cool evenings as well as dangerous situations (be it from a sharp tool, gas or smoke). The protective layer of UHMWPE fabric sewn into the shawl provides the 5th (highest) level of cut resistance and the pocket with a replaceable PM 2.5 carbon filter allows for filters up to 99.9% of dust, smog, fumes and mold particles, but also bacteria, viruses and other microorganisms.
